**Assignment: Prevention Activity**

Whenever leaving for vacation or staying at an after school event, there are times when you are unable to care directly for your animals. Pretend you are going to go on vacation with your family for a week. Who is going to care for your animals while you are gone? List your response as you would need to write the instructions out for someone that really was caring for your animals while you were away.

1. Who is going to watch over my animals?
2. The number and the type of animals they will be responsible for is:
3. The feed is located at:
4. We give each animal (pen or herd) \_\_\_\_\_ amount of \_\_\_\_\_ feed (what kind of feed) each time we feed them.
5. The animals need to be fed \_\_\_\_\_ times a day;  
We usually feed them around \_\_\_\_\_ (time) each day.
6. We feed them at (list the location).
7. The animals need to be watered \_\_\_\_\_ times daily. The water trough/tank is located at \_\_\_\_\_ and the faucet/bucket/hose is located at \_\_\_\_\_.  
If the tank is full be sure to clean it.
8. Make a detailed list of any animals on medication, what medication, how and when to give the medication, medication location and storage, and any other information needed.
9. Our vet is \_\_\_\_\_. Phone number \_\_\_\_\_.
10. List the date and time you will be home to care for your animals.
