2021 4-H Camp Details

Keep this sheet at home for your reference

Camp Details:

Junior Leader Retreat:	June 22	Tuesday at 2:00 pm -- Preparation for regular campers
4-H Camp for all youth:	June 22-24	Tuesday -- Drop off campers anytime after 5. Eat prior to arriving

Junior Leader Retreat: Please let the Extension Office know if you need a ride or will be traveling on your own. Do NOT arrive at the camp before 2:00 p.m.

Camp Rides:

Check with your own county for ride options.

Medical Forms:

We are not collecting the camper's medical forms with the camp registration this year. We will be using the ones provided through zSuite. Please update it prior to bringing your child to camp

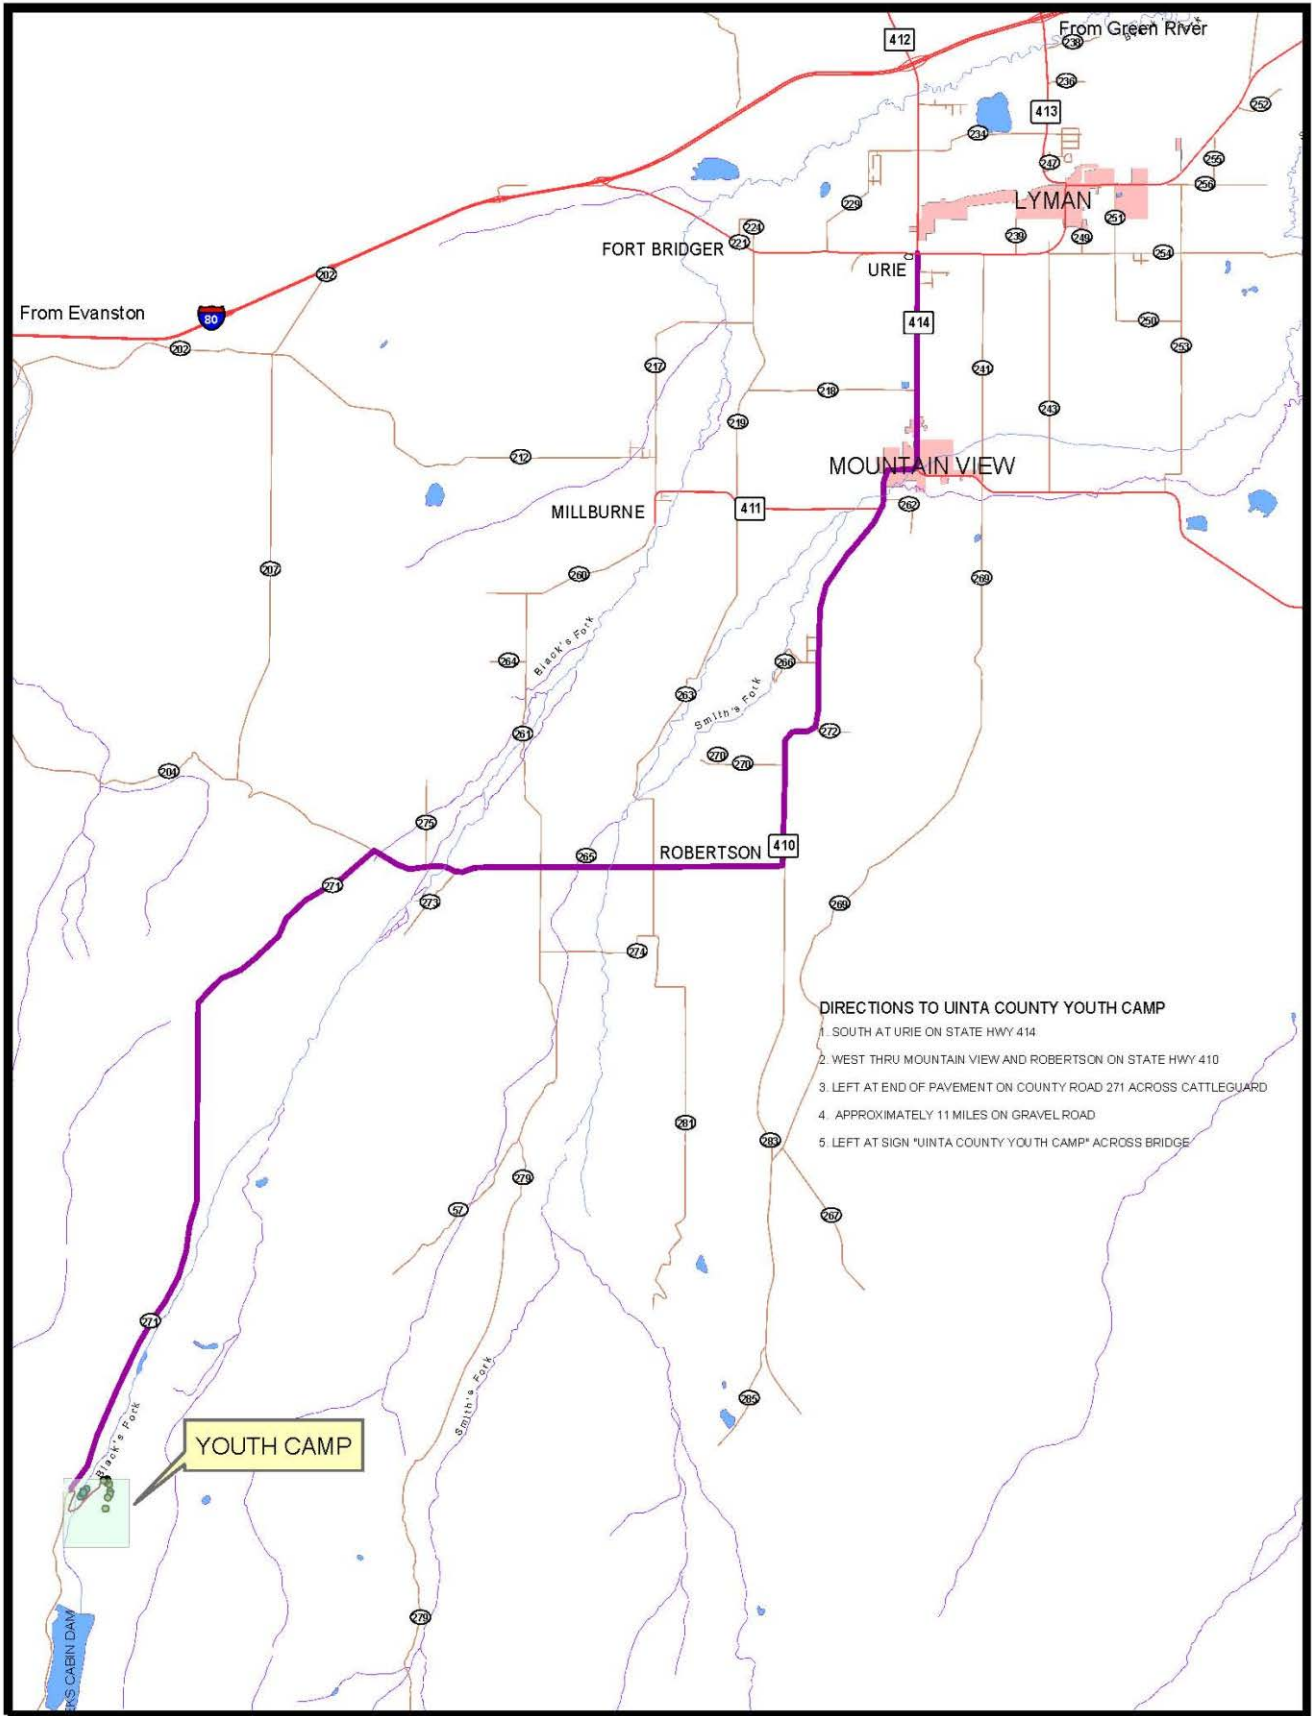

Things to Bring:

Sleeping bag	Personal items
Pillow	Sun screen
Warm coat	Bug spray
Flashlight	Lots of energy and a GOOD ATTITUDE
Change of clothes and shoes	
Towel	
Soap	

Campers can be picked up between 2-4 on Thursday, June 24. They will be fed lunch that day

Visitors must check in at the Lodge. There are several reasons for this request including: Our schedule keeps the campers busy until this time; if a child leaves early, we need to know they are with a parent and not missing; and it can be alarming to have unidentified adults mingling with our campers. We welcome you to come as a volunteer or chaperone – even if only for half a day. If you would like to help in this capacity, let us know ahead of time.

If you need to get a message to someone at camp, contact the Extension Office during normal business hours at 783-0570
